SUBJECT INDEX 1988

Acuity, visual:
best, prevalence study in severe herpetic keratitis .. 530
contrast sensitivity relationship, in strabismic and anisometropic amblyopia 44
grating and recognition, in young amblyopes 50
photostress recovery time and, open angle glaucoma and 641
in primary open angle glaucoma, early trabeculectomy and 881
strabismus and 110
Adrenaline:
dacryolith, detection by ultrasound examination of nasolacrimal duct 935
1·0%, Propine 0·1% compared with, in open angle glaucoma and ocular hypertension 465
After-effects, visual, high-resolution visual display units and 823
AIDS:
cryptococcosis and 169
ganciclovir for CMV retinitis in 521
AZT treatment in, aggravation of pre-existing CMV retinitis and 239
treatment, ganciclovir, active cytomegalovirus particles in eyes and 293
Airgun pellets, retained, management 97
Alcohol, risk factor for cataract 807, 809
Alcoholism, chronic, microbial keratitis and 155
Alphabetical syndromes 110
Amblyopia:
anisometropic, contrast sensitivity and acuity relationship in 44
strabismic, contrast sensitivity and acuity relationship in 44
unilateral, contrast sensitivity and acuity relationship in 44
young people, grating and recognition acuities in ... 50
Ammonia, differentiation for antipersonnel or anti-rape sprays 640
Anaesthesia:
local, in day-case cataract surgery 897
retrobulbar: complications 1
cranial nerve palsy following 78
hyaluronidase added to lignocaine with adrenaline for, in senile cataract surgery 700
safety 1
Analgesics, aspirin-like, protection against cataract and 809
Angiogenic factor, procollagenase activating, increase in vitreous, oxygen treatment and, kitten 2
Angiography, fluorescein:
anterior uveal melanocytic tumours 326
in birdshot chorioretinopathy 651
reflow of obstructed capillaries in maculae with diabetic retinopathy and 660
retinal pigment epithelial tears 622
sickle cell retinopathy 730, 731
subretinal membrane, changing appearance 835
video-, origin of disc new vessels assessed by 394
Angioid streaks, in beta thalassaemia minor 303
Angioma, ocular, complicated, radiotherapy in 286
Angiosarcoma:
primary, skull, unilateral proptosis and 713
skull, treatment 713
Ankylosing spondylitis, lymphocyte lysis and 81
Anterior chamber:
depth, measurement, with slit-lamp microscope 344
epithelial cyst in, after penetrating keratoplasty 36
Anterior segment, ischaemia, following laser photocoagulation in patient with systemic lupus erythematosus 11
α_1-Antitrypsin:
level in tear fluids in acute adenovirus conjunctivitis 390
phenotypes, in acute anterior uveitis 636
uveitis and 81
Aphakia:
glasses 721
retinal detachment surgery in, prospective study ... 820
traumatic, unilateral, cyclic esotropia in 305
Aponeurosis, tuck, external levator, for atrophic blepharochalasis 863
Aqueous humour:
drainage, tissue response to, in functioning Molteno implant 29
immunological analysis, in candida endophthalmitis: clinical study 313
rabbit 309
S-100 protein in, detection and quantification, in intraocular melanoma 874
Aspergillus, sinusitis, allergic, visual failure in 127
Astigmatism:
changes between ages of 1 and 4, longitudinal study . 145
control in cataract surgery 487
corneal shape and 696
ATP contraction assay, cells from fibrocellular epiretinal membranes in primary tissue culture 116
Autoantibodies, Fuchs' heterochromic cyclitis and 921
Autoradiography, after intravitreal fibroblast injection (rabbit) 499
Awards:
David Cole Travel Fellowship 240, 400
Glaucoma Group Research Grant, ... 240, 400
Ludwig von Sallzmann Prize 240
AXT, treatment in AIDS, aggravation of pre-existing CMV retinitis and 239

Bacteraemia, clostridial, sudden visual loss and 380
Bacterial flora, conjunctival, anaerobic and aerobic, adults and children compared 448
Ballpoint pen tip, orbital injury and 432
Beer drinking, heavy, risk factor for cataract 807, 809
Betablocker, eyedrops, cardiac side effects 240
Beta thalassaemia minor, angioid streaks in 303
Blepharitis, management by general practitioners in community 733
Blepharochalasis: 863
atrophic, cosmetic surgery for 863
Blind/Blindness:
children, Jamaica 65
congenital, Norrie's, in Sri Lanka 62
painful eye, concealing melanoma 247
postmeasles 879
prevalence and causes, Northern Transvaal 721
quinine toxicity causing 219
Blood-aqueous barrier, subclinical breakdown, after radial keratotomy 274
Blood:
groups, genetic markers in glaucoma 270
sugar levels, retinal volume flow and, in diabetics ... 671
